

MISSED APPOINTMENT POLICY

Dear Patient

Please understand that you are responsible for remembering and keeping all your appointments.

The office does give you a courtesy reminder text message, email and/or phone call, but we are not responsible if you do not receive the message.

Please understand that if you do not give us at least a 24 hour notice to cancel your appointment you will be charged a broken appointment fee of \$40.00.

****We do take emergencies into consideration****

Thank You

Dr. Fernanda McCosh and Staff
